Looking for experienced relief staff for your business?

La Concierge is a relief personnel service specialising in providing mature aged persons with extensive experience in the work force, especially in administration and retail. La Concierge endeavours to provide experienced, trustworthy and professional staff to cover periods of staff absence resulting from annual or personal leave, or the opportunity for the small business owner to attend external appointments or just to have a well earned break.

La Concierge is here to help care take your business and keep the doors open.

Why register with us? Advantages include:

- avoiding the administration effort and time associated with the direct employment of casual relief personnel
- having access to a pool of experienced and capable personnel
- being assured that only experienced personnel are made available
- benefiting from La Concierge's own advertising and recruitment campaigns at no cost to your business
- not having to shuffle or burden internal staff with extra work from staff on leave
- retaining flexibility to select personnel to your business needs and suitability
- for small business owners the support of staff to care take your business to help free up your time to attend appointments or have a break
- and the opportunity to receive discount vouchers for repeat services and invitations to attend workshops and expos either at a discounted price or free admission.

Registration is FREE

Employers are invited to contact a representative from La Concierge who will be pleased to visit your business to provide further information and discuss your business requirements:
